## ANESTHETIC RELEASE FORM

Date \_\_\_\_\_

Pet Name \_\_\_\_\_ Procedure \_\_\_\_\_

Your pet is being admitted for a procedure that will require the use of anesthesia today. Please be assured that our staff will use the safest anesthesia available and your pet will be constantly monitored throughout the procedure. However, regardless of an animal's age or apparent health status, all anesthetic procedures do carry an element of risk.

Before anesthesia, a blood test will be required to allow us to check the function of your pet's internal organs and to look for signs of underlying infection. This is vital to the safety of the animal. An intravenous catheter will be placed to maximize the safety of the procedure.

For dental patients, if the doctor determines that extractions are needed:

\_\_\_ I authorize any extractions and/or antibiotics recommended by the doctor

\_\_\_ Call me for authorization (owner must be reachable by phone, as pet will be under anesthesia)

Other services offered at a discounted rate while your pet is under anesthesia:

\_\_\_ Anal Gland Expression \$17 (normally \$22.29)

\_\_\_ Sanitary Trim \$5 (normally \$10.00-15.00)

*I hereby certify that I am the owner, or agent for the owner, of the animal described above, and authorize Pet Health Center of La Jolla to the use of anesthesia, and the performance of related treatment deemed necessary by the veterinarian. I recognize that all anesthetic and surgical procedures carry certain risks and /or complications, including death, and acknowledge that no guarantee has been made regarding results of the intended or any necessary related procedures. I release the clinic and its agents from all liability regarding this treatment. I agree to be responsible for any and all fees incurred, and agree to payment in full at time of pick up.*
